Answers from 1st video:

1 Kalia comes from Nepal.

2 She is extremely happy whenever she enters the football pitch.

3 Kalia is 16.

4 The children didn't know how to study, because they were not motivated.

5 Kalia is transformed, because of sports.

6 Kalia's parents' wish is to marry her off.

7 Kalia is not sure that her parents won't marry her off.

Answers from 2nd video:

1 They have to collect water.

2 There are germs in the water they drink.

3 People can die when they drink that water.

4 There are organizations which help.

5 A freshwater well, a rainwater catchment and water pumps.

Three extraordinary things by 2030:

1 **PREVENT POVERTY** (*spriječiti siromaštvo*)

2 **EQUAL CHANCES FOR EVERYONE** (*jednake šanse za sve*)

3 **PROTECT OUR PLANET** (*zaštititi naš planet*)
