

Name _____

Fact Family Worksheet

A house-shaped template for a fact family. The roof contains the numbers 4, 9, and 36 in circles, with 'x' and '÷' symbols between them. The body of the house contains four rows of boxes for multiplication and division problems.

Roof: $(4) \times (9) = (36)$

Body:

	$\times$		$=$	
	$\times$		$=$	
	$\div$		$=$	
	$\div$		$=$	

A house-shaped template for a fact family. The roof contains the numbers 4, 4, and 16 in circles, with 'x' and '÷' symbols between them. The body of the house contains four rows of boxes for multiplication and division problems.

Roof: $(4) \times (4) = (16)$

Body:

	$\times$		$=$	
	$\times$		$=$	
	$\div$		$=$	
	$\div$		$=$	

A house-shaped template for a fact family. The roof contains the numbers 8, 3, and 24 in circles, with 'x' and '÷' symbols between them. The body of the house contains four rows of boxes for multiplication and division problems.

Roof: $(8) \times (3) = (24)$

Body:

	$\times$		$=$	
	$\times$		$=$	
	$\div$		$=$	
	$\div$		$=$	

A house-shaped template for a fact family. The roof contains the numbers 2, 10, and 20 in circles, with 'x' and '÷' symbols between them. The body of the house contains four rows of boxes for multiplication and division problems.

Roof: $(2) \times (10) = (20)$

Body:

	$\times$		$=$	
	$\times$		$=$	
	$\div$		$=$	
	$\div$		$=$
