

GRAMMAR

Instructions: Read and complete with the correct form of the verb.

We enjoy our vacations

I'm William, and I'm from Mexico city. There are only four members in my family; my father whose name is George, he is a teacher, he _____ (love/teach), he says that when he was a child he often played being the teacher and his friends were the students.

My mother is a secretary at a big hospital, she _____ (like) her job and she _____ (enjoy/cook), she prepares something different for us every day.

My sister is Jessica; she is studying medicine at the UNAM, she _____ (love/studying) it because she _____ (like/save) lives, bringing babies to the world and healing sick people. She says this is the most beautiful career in the world.

And about me, well, I study at the same institution, but I _____ (hate/see) blood, biology and chemistry, but I _____ (love/use) the computer, _____ (play) video games, and mathematics so I'm studying to be a computer engineer.

My parents work and we study very hard, but on vacations, we go to my father's hometown. It is a small town. We have a nice house there. My father says, his family moved to Mexico city when he was about 18, to study.

It is a small and beautiful town. My family and I do many activities there on vacations.

Every morning, my father _____ (like/milk) a cow at a friend's house, and my mom _____ (like /make) tortillas instead of buying them. Sometimes they _____ (love/help) people to grow plants.

After breakfast, my sister, our friend and I _____ (enjoy/ride) our bikes in the forest or we _____ (like/ play) soccer, and although most of the girls _____ (hate/play) it, they stay with us. Sometimes, we _____ (like/play) basketball, or swimming in the river.

When we are in the town, we _____ (like/ eat) in restaurants but my mother _____ (prefer/ eat) at home because she _____ (like / cook), mainly meat, fish or chicken because they are very fresh.

After lunch, our friend and I _____ (like/go) to the movies; I _____ (love/watch) horror movies, but my sister doesn't because she can't sleep after a horror one. She _____ (like/watch) romantic ones. I _____ (hate/watch) them.

On Saturday night, all my family go to downtown because a musical group plays; people and my sister _____ (like/dance). My parents and I _____ (hate/ dance)), instead of that, my father _____ (love/talk) to people from the village, because he knows them since he was a child and my mother _____ (enjoy/drink) a cup of coffee, she says it tastes delicious. I _____ (prefer/stay) at home and playing video games with my friends.

On Sunday mornings, we go to church, my mother _____ (enjoy/do) it, my sister and I hate it because the mass starts at 7:00 and we _____ (love/ get up) late on vacations.

We always stay there for two weeks, but days pass very fast, I think it is because we _____ (like/ spend) them doing the activities we like, which are very different to the ones we do in our city.
