

Practice

Every part of the plant is important.

2 Draw an arrow from the plant part to its important job.

Plant part	Important job
 <p>roots</p>	<p>To make food for the plant.</p>
 <p>flower</p>	<p>To hold the plant down and absorb water from the soil.</p>
 <p>stem</p>	<p>To make seeds.</p>
 <p>leaf</p>	<p>To hold the plant parts up and transport water.</p>
