☐	<insert date 2 wks before Due Date>	Print and assemble your Research Report pages as directed by your teacher.

1. State Model Requirements

The State Model is a construction project intended to creatively evoke what is most inspirational about your state. Each model will be different because of both the state AND the designer. Requirements are few, but expectations are high.

Suggestions: box, float, diorama, clay model, Minecraft, Mixed Reality, video presentation

Parent Acknowledgment for <enter student name>

I, _____ (parent), am aware my child is participating in an important project, and I am committed to supporting him/her with advice and encouragement. I have noted the Due Date, planning dates, and subject area, and will aid in having both components at <location to be turned in> by <insert due date>. (Once signed, copy this page for teacher and parent.)
