

Listen to the song and correct the words

Sally range when she got the word
And she said, "I suppose you've heard... about Alice?"
When I rushed to the wall and I looked outside
And I could hardly believe my eyes
As a big limousine rolled up, into Alice's drive

Oh, I don't know how she's leaving
Or where she's gonna go
I guess she's got her reasons
But I just don't want to know
'Cause for 24 years
I've been living next door to Alice

24 years just waiting for a chance
To tell her how I feel, and maybe get a first
glance
Now I've got to get used to not living next door to Alice

We grew up separately, two kids in the park
We carved our initials, deep in the bark
Me and Alice
Now she walks through the door, with her head held high
Just for a minute, I caught her eye
As a big limousine pulled quickly, out of Alice's drive

And Sally called up and asked how I felt
And she said, "I know how to help
Get over Alice"

She said, "Now Alice is away, but I'm still here"
You know I've been waiting for 24 years
And a big limousine disappeared
