I. Listen and put the missing words in the correct gaps.

involved remember calls
blame waiting

I thought that you'd 1. _____, but it seems that you forgot
It's hard for me to 2. _____ you when you were already lost
Oh, yeah
I'm tired of always 3. _____
Oh, yeah, yeah
I see you changed your number, that's why you don't get my 4. _____
I gave you all of me, now you don't wanna be 5. _____
Oh, yeah, yeah
I really gotta face it
Oh, yeah, yeah

II. Listen and choose the correct words

Chorus

I just wanna be the one
But to you we're already 1. ***fine / done***
Tell me, why'd you have to ***hit / keep*** and run me?
Now I'm all alone, cryin' ***ugly/ snugly***
You broke my heart just for fun
Took my ***love/ dove*** and just left me numb
Now it's eight in the ***morning/ warning***
Hate in the morning (All because of you)

III. Listen and order the sentences by writing the numbers

- () I'll put a curse on her and you
- () Ain't no looking back, now you're dead and gone
- () I can feel the pain, can you?
- () Am I the story that's sad and true?
- () You had to be the one to let me down to color me blue
- () Hate to see you with someone new
- () My love is gone too

All my love is go-o-o-o-o-o-o-ne
All my love is go-o-o-o-o-o-o-ne
All my love is go-o-o-o-o-o-o-ne

All my love is gone
Now you're dead and gone

IV. Join the two halves of the sentences.

All my love is gone	all alone
I'm standing	feel nothing
And I'm searching	like home
But I can't	and the hate is gone
I've packed my	for something
This don't feel	bags and go on
Too much on this foreign	road, I feel so used
How am I supposed to	live without you? I refuse (Yeah)

Repeat chorus
