

KARIOTIPE KROMOSOM

Petunjuk:

- Urutkanlah gambar kromosom berdasarkan bentuk dan ukurannya dengan drag pada gambar kemudian diarahkan kedalam kotak yang disediakan.
- Isilah tabel yang disediakan dengan keterangan bentuk kromosom

The worksheet is divided into four main sections for chromosome sorting:

- Section 1 (Top Left):** Contains boxes 1, 2, 3, 4, and 5. Box 1 is labeled 'A', box 2 is labeled 'B', and box 3 is labeled 'C'.
- Section 2 (Top Right):** Contains boxes 6, 7, 8, 9, 10, 11, and 12. Box 6 is labeled 'D', box 7 is labeled 'E', and box 8 is labeled 'F'.
- Section 3 (Bottom Left):** Contains boxes 13, 14, 15, 16, 17, 18, 19, 20, 21, and 22. Box 13 is labeled 'G', box 14 is labeled 'H', and box 15 is labeled 'I'.
- Section 4 (Bottom Right):** Contains boxes 19, 20, 21, and 22. Box 19 is labeled 'J', box 20 is labeled 'K', and box 21 is labeled 'L'.

To the right of the main grid, there are 23 pairs of chromosomes, each with a corresponding lettered box for identification. The chromosomes are arranged in four rows: Row 1 (1-5), Row 2 (6-12), Row 3 (13-18), and Row 4 (19-22 and X). The chromosomes are arranged in pairs, with the X chromosome at the bottom right.

Tabel Pengamatan Bentuk Kromosom Berdasarkan Letak Sentromernya

Kelompok	Nomor	Keterangan Bentuk Kromosom
A	1-3	
B	4-5	
C	6-12	
D	13-15	
E	16-18	
F	19-20	
G	21-22	
H	XX
