So don't **waste/spend** the time I don't have
Don't try to make me feel **guilty/bad**
I could talk about every time that you showed **up/out** on time
But I'd have an empty line, 'cause you never did
Never paid any mind to my **mother/father** or friends, so I
Shut 'em all out for you 'cause I was a kid

Always said you were badly misunderstood
