So, **what shall we** put in the time capsule?	How about a (1) .....? Then people in the future will know what kind of music we listened to.
But people in the future probably won't be able to (2) .....There won't be CD players then.	You're right . I didn't think of that.
I know! **What about** a (3) ..... from a restaurant?	What's interesting about that?
I'll show people in the future (4) .....we ate	**That's a good idea!** Maybe they won't have (5) .....in 50 years' time!
Exactly!	We could also put in a copy of today's newspaper so people can see what happened in the world.
Great! That's two things, now let's think of one more	How about a photo of us.
