THE IMPORTANCE OF FAMILY

In the text below some of the sentences are correct and some have a word which should be not there. If the sentence is correct, put a **V**. *If it is incorrect, write* ***the unnecessary word in the space.***

In the Western Europe and the USA family life has changed **1**_____
dramatically over the last forty years. The number of families **2**_____
that depend on both of the parents going out to a work, or **3**_____
where there is one parent raising the children alone, is much **4**_____
more greater than it used to be. Also many more people move **5**_____
away from their families than ever before. Despite of these **6**_____
changes, most people still think of their family as one of the **7**_____
most significant parts of their lives. **8**_____

A recent American survey showed that many people think **9**_____
of that spending time at home is more important than earning **10**_____
a high salary or having a challenging job. The majority of the **11**_____
young people surveyed said they would be a happy to earn less **12**_____
money if they had more time to spend with their loved ones. **13**_____

The older people also commented that they had worked **14**_____
too hard in the past when they should have been with their **15**_____
families. Even if the typical family doesn't follow the traditional **16**_____
of model today, it is still a vital part of our lives. **17**_____
