

What time does...?

23

Look at Tom's activities in the morning

What time does Tom get up? He gets up at half past seven.

Build questions to ask about the time. Then, follow the lines and answer.

Example:

What time **does** he get up?
He gets **up** at half past seven.

get-up
get dressed
have a shower
have breakfast
catch the bus
brush his teeth

Remember:
a quarter past
a quarter to
