"Warrior"

I fall asleep in my tears

I cry for the world, for

And I build a boat to float in

I'm floating away

I can't recall last I opened my eyes to see the world as

And I built a cage to hide in

I'm hiding, I'm trying to battle the

Let love conquer your mind

Warrior, warrior

Just reach out for the light

Warrior, warrior

I a warrior-yeah-yeah

Warrior, warrior

I am a warrior-yeah-yeah

Warrior, warrior of

I stand behind the wall of and thoughts, mind controlling

And I hold a sword to guide

I'm fighting way

I can't recall last I opened my eyes to see the world as beautiful

And I built a cage to hide in

I'm hiding, I'm trying to battle the night

Let conquer your mind

Warrior, warrior

Just reach out for the light

Warrior, warrior

I am a warrior-yeah-yeah

Warrior, warrior

I am a warrior-yeah-yeah

Warrior, warrior of love!

Underneath darkened sky

There's a light kept alive

Let love conquer mind

Warrior, warrior

Just reach out the light

Warrior, warrior

I am a warrior-yeah-yeah

Warrior, warrior

I am a warrior-yeah-yeah

Warrior, warrior of love

Warrior of love!

Warrior of love!
