

Part 5

Questions 33 to 40

We interviewed six adults about how the social media act as an effective marketing tool. Read the texts below and answer the questions that follow.

Social Media Marketing

A – ANITA, CEO

Social media helps get the word out about your business. It also provides you with the opportunity to grow relationships with your target audience.

B – DAVID, Analyst

Social media is really popular among consumers. Facebook with its billions of active users is the jumping-off point for getting started with social media marketing for most small merchants.

C – TAN, Manager

Most social media advertising is cheaper than traditional advertising. therefore you don't have to spend a lot of money to reach more people, increase your audience and grow your business.

D – SELVI, Merchant

All ages and demographics use social media. Therefore, both the young and old are already logging on and eagerly waiting to check out your product.

E – ALIA, Marketing Executive

You can have two-way communication with your customers on social media. You can also ask your customers to share their thoughts, questions, and ideas to get to know them better.

F – SALLY, Analyst

Merchants can share a lot about their business on social media. They can offer the most up-to-date information about anything from products, services, to upcoming events.
