

*Migration means movement of a person or people from one country, locality, place of residence, etc., to settle in another*

Tick what are the problems of migration-

1. Slum areas are increased.
2. Unhygienic conditions created.
3. Health problems increased.
4. People live happily
5. Crime increases.
6. There will be prosperity everywhere.
7. Nuclear family increases.
8. Government launches more welfare programmes.
9. Migration is a good thing.
