

## **ANBU AND THE FISH**

Anbu was talented in \_\_\_\_\_ fish. He always went to catch fish with \_\_\_\_\_. They usually used \_\_\_\_\_ as a net to catch the fish. And also made fishing rods using sticks and \_\_\_\_\_ at home.

---

Anbu rushed back from school to the tank. He saw that one more fish was dead and \_\_\_\_\_ on the top. He started \_\_\_\_\_. His father said, "These fish live in the \_\_\_\_\_. \_\_\_\_\_ is their home. It is best to let them be free. "He saw the \_\_\_\_\_ fish swimming alone, and he felt bad. He took the fish to the same \_\_\_\_\_ and set it free.
