

Ex. 1 Watch the video.

Ex. 2 Try to give me some advice.

I have a fever.

You go to bed.

You go to school.

You'd better to bed.

If I would go to doctor.

Why take some aspirin.

I'm not fit.

You practise sport.

You watch too much TV.

You'd go to the gym.

If I were you I join sport club.

Why start jogging.

I lost my keys.

You look for them.

You panic.

You'd tell your mum about this.

If I were you I try to remember when I last saw them.

Why take another set.
