ESCUELA BILINGÜE PEDREGAL

ENGLISH HOMEWORK

STUDENT'S NAME: _____ LEVEL 6° A. DATE: ____ SCORE _____

Circle the possible form of pollution that affects human and animal lives.

Stinky stuff	Good music	Trash	Clean ocean
Green garden	Smoke	Drinking water	Noise

TOPIC EXPLANATION — WHAT DO YOU KNOW ABOUT The ENVIRONMENT?

When we hear the word environment, we often think about nature. Things that are outdoor—plants, animals, wind, rain, water, sun, and different types of land— forests and desserts, mountains and jungles, rainforests and fields. The environment is all of these things and a lot more—environment means everything that affects the life, development, and survival of living things.

According to the previous information, mention some terms, related to pollution that you remember.

1._____ is anything that makes the earth _____ and _____.

2. Things that could be contaminated: _____, _____ and _____.

3. Air pollution happened when _____ is dirty.

4. In big cities the _____ contribute to _____

5. Air pollution contribute to the global _____.
