Stop Vandalism!

VANDALISM is the act of destroying other people's property such as benches, garbage bins or windows. This also involves graffiti. People who vandalise are called 'vandal'. Vandalism is against the law. It is a **crime**.

According to a recent **survey**, most vandals are young people from school children to teenagers. They damage **property** because they are bored, angry, influenced by peers or taking revenge.

Prevention is better than cure. We must take a stand to stop vandalism. You may report it to school authorities, the police or someone who can take action.

Young people should be involved in vandalism prevention efforts. They can work with schools or the community to paint murals in areas that are **vulnerable** to graffiti. Make it a contest for them. They can also be appointed as young patrols or volunteers to clean up **litter** and keep an eye on things.

The best way to prevent vandalism is to find out how and why it happens and develop a strategy to overcome it.

Graffiti is writing or drawings on public walls, toilets or other surfaces.

Dear Sarah,

How are you? I hope you are doing well. I had an amazing experience visiting the King's garden today. The garden was clean and beautiful.

4

The moment I stepped foot into the garden, I could see many rare flowers such as roses and orchids. The bees were buzzing and birds were chirping. There is a pond in the middle of the garden with a lot of golden fishes.

5

My favourite part of the garden was the big oak tree next to the pond. I sat under the tree and drew some pictures in my sketch book. It was relaxing and soothing.

That's all from me. I hope to hear from you soon.

6

Your sincerely,
