The conversation

Rony : Hey! do you remember these photographs?

Sister: Yes I do. It was a memorable day . I love the way you all dressed up and prepared few dialogues.

Rony : I got the second prize in "Go as you like " on Independence day .

Sister: I helped you in choosing the costumes .

Rony : Yeah Thanks Sis . I was very nervous about my dialogues . You also helped in practicing that.

Sister: I tied the turban around your head. You looked good with it.

Rony :But Shirsha of grade 4 was really an outstanding speaker. She was sitting in front in Mother Teresa's costume.

Sister: Yeah and the third position holder, Avni was sitting behind Shirsha.
