

Things are getting weird, things are getting tough

Nothing's making sense but you _____ (1) looking up

They tell you to be true, you're trying every day

You keep it on the real, still you gotta find a way

To make your mama happy, to make your papa proud

You gotta _____ it _____ (2) but all you hear is turn it down

So _____ (3) I'm here to say

You'll never make everybody's day

But while you're around you might as well

Catch the tiger by its tail

And _____ x 3 times (4)

Everybody just

_____ x 3 times (5)

Get started and

_____ x 3 times (6)

Everybody just _____ (7)

Sometimes I wanna cry and throw the towel in

They try to beat me down but I'll take it on the chin

And everywhere I go the people are the same

They just wanna know that everything will be OK

When things are getting rough, you _____ it _____ (7) around

You gotta _____ it _____ (8) when they tell you _____ (9) it _____

So **gather** _____ (10) I'm here to say

You'll never make everybody's day

But while you're around you might as well

Catch the tiger by its tail
