

Gap Fill

Listen to the audio and write down the missing words on a sheet of paper first.

You can listen twice.

When you are done, transfer your answers to this worksheet.

Make sure you check your spelling and grammar.

- TIM: Hi, Laura – could you spare a few minutes to talk about the work placement you did last summer? I'm thinking of doing one myself ...
- LAURA: Hi, Tim. Sure.
- TIM: Didn't you do yours at an environmental services company?
- LAURA: That's right ... It's only a very small company and they needed someone to produce a company ⁽¹⁾ [] and I wanted to get some business experience because I'm interested in a career in occupational psychology in a business environment. It was good because I had overall responsibility for the project.
- TIM: What kind of ⁽²⁾ [] do you think you ⁽³⁾ [] on the placement? I mean, apart from the ones you already had ... Did you have to do all the artwork for the brochure, the layout and everything?
- LAURA: We hired the services of a professional photographer for that. I ⁽⁴⁾ [] to use my IT skills to a certain extent because I cut and pasted text from marketing leaflets, ⁽⁵⁾ [] that ⁽⁶⁾ [] anything I hadn't done before.
- TIM: Do you think you got any ⁽⁷⁾ [] your time and prioritising things? You always used to say you had trouble with that ... Q21 & 22
- LAURA: Oh, ⁽⁸⁾ [] There was so much pressure to meet the project deadline. And I also got better at ⁽⁹⁾ [] and asserting my opinions, Q21 & 22
- TIM: because I had to have weekly consultations with the marketing manager and give him a progress report.
- TIM: It sounds as if you got a lot out of it then.
- LAURA: Absolutely. It was really worthwhile ... But you know, the company ⁽¹⁰⁾ [] too ...
- TIM: Yes, they must have done. After all, if they'd used a professional advertising agency to produce their brochure instead of doing it in-house, presumably they'd have paid a lot more?
- LAURA: Oh, yes. I worked it out – it ⁽¹¹⁾ [] 250 per cent ⁽¹²⁾ []. And I thought the end result was good, even though we did everything on site. The company has quite a powerful computer and I managed to borrow some scanning software from the university. The new brochure looks really professional; it ⁽¹³⁾ [] the image of the company straight away. Q23 & 24
- TIM: So in the long run it ⁽¹⁴⁾ [] help them to attract clients, and improve their sales figures?
- LAURA: That's the idea. Yeah.
-

- TIM: Well, all in all it sounds very positive – I think I will go ahead and apply for a placement myself. How do I go about it?
- LAURA: It's easy enough to do, because there's a government agency called STEP – S-T-E-P – that organises placements for students. You should start by getting their booklet with all the details – I expect you can download one from their website.
- TIM: Actually, they've got copies in the ⁽¹⁵⁾ department – I've seen them there. ⁽¹⁶⁾ to the office and pick one up. Q25
- LAURA: Right. And then if I were you, after I'd looked at it I'd go over all the options with someone ...
- TIM: I suppose I should ask my tutor's advice. He knows more about me than anyone.
- LAURA: One of the career officers ⁽¹⁷⁾, they've got more knowledge about the jobs market than your personal tutor would have. Q26
- TIM: OK ...
- LAURA: And then when you know what you want you can register with STEP – you'll find their address in the booklet. And once you've registered they assign you to a mentor who looks after your application.
- TIM: And then I suppose you just sit back and wait till you hear something?
- LAURA: They told me at the careers office that it's best to be ⁽¹⁸⁾, and get updates yourself by checking the website for new placement alerts. Your mentor is supposed to keep you informed, but you can't rely on that. Q27
- TIM: I don't suppose it's a good idea to get in touch with companies directly, is it?
- LAURA: Not really ... But it is the company who notifies you if they want you to go for an interview. You get a letter of invitation or an email from ⁽¹⁹⁾ departments. Q28
- TIM: And do I reply directly to them?
- LAURA: Yes, you do. STEP only gets involved again once you've been made a job offer.
- TIM: Right ... So, ⁽²⁰⁾ you've had an interview you should let your ⁽²¹⁾ know what the outcome is? I mean whether you're offered a job, and whether you've decided to accept it? Q29
- LAURA: That's right. They'll inform the careers office once a placement has been agreed, so you don't have to do that.
- TIM: Is that all then?
- LAURA: More or less. Only once you've accepted an offer you'll probably have to supply a ⁽²²⁾, because the placement will be conditional on that. And that's something you should ask your own tutor to provide. He knows about your academic ability and also about your qualities, like reliability. Q30
- TIM: Well, thanks very much for the information – I'm starting to look forward ...
