

# A night like this

## Caro Emerald

Fill in the blanks with the words you listen to:

From where you are, you see the smoke start to arise, where they play cards.  
And you walk over, [ ] moving past the guards.  
The stakes are getting higher. You can feel it in your heart.  
He calls you bluff. He is the ace, you never thought he played that [ ].  
And now it's [ ] than all these cards you want to touch.  
You never know if winning this could [ ] be enough.

Take a look, [ ], the moon you see the stars.  
And when you look [ ], you know the room by heart.

### CHORUS:

I have [ ] dreamed it.  
Have you [ ] dreamed a night like this?  
I cannot believe it. I may [ ] see a night like this.  
[ ] everything you think is incomplete.  
Starts happening [ ] you are cheek to cheek.  
Could you [ ] dream it?  
I have [ ] dreamed, dreamed a night like this.

How [ ] times, have I been waiting by the door to hear these chimes?  
To hear that someone debonaire has just arrived.  
And opened up to see my world [ ] my eyes.  
That silhouette creates an image on the night I can't forget.  
It has the scent of something special, I can't rest.  
If I resist temptation, oh I know for sure that I will lose the bet.  
I walk away and [ ] it seems I'm not alone.  
In front of me he stands -- I stop, [ ] he goes.

### CHORUS (twice)
