SONG"ODORONO" THE WHO

She sang the best she'd ever _____

She couldn't ever sing any better

But Mister Davidson never _____

She knew he would forget her

She'd _____ him there

And put herself to ransom

He had _____

He really was quite handsome

She had really looked her best

She couldn't ever look any better

But she knew she'd _____ the test

She knew he would forget her

Triumphant was the way she'd _____

As she acknowledged the applause

Triumphant was the way she'd felt

When she _____ him at the dressing room door

She was happier than she'd ever_____

As he praised her for her grace

But his expression changed, she had seen

LIVEWORKSHEETS

As he leant to_____ her face

It ended there

He claimed a late _____

She quickly turned

To hide her _____

She ripped her glittering _____

Couldn't face another show, no

Her _____ had let her down

She should have used _____
