

Angel of Mercy

Black Label Society

I woke today
For all the birds flown
Inside empty house
Which longer like home

No of mercy
Is hear my (oh no)
No angel of mercy
To dry the that shall fall

I woke alone today
Amidst life's fields of
This door of
Closed forevermore

No angel of mercy
Is gonna hear my call (oh no)
No angel of mercy
To dry the tears that shall not fall

No angel of mercy
Is gonna hear my call (oh no)
No angel mercy
To dry the tears shall not fall

No angel of mercy
 gonna hear my call (oh no)
No angel of mercy

 dry the tears that shall not fall
