

HOUSES AROUND THE WORLD

Read the texts and then answer the questions

Hi, my name is Martin. I'm from Buenos Aires, Argentina. My country has got lots of landscapes: forests, beaches, deserts and mountain ranges. We usually spend the summer in the mountains in our house in Cordoba. It is a house made of wood and stones. They are called "cabañas".

We swim in the river every day. We go fishing in our boat. We go hiking in the mountains and we ride horses. I love it!

Hi, my name's Miguel. I'm from Brazil. Most tourists from abroad visit my country because it has got beautiful beaches, but we prefer the jungle. We're on holiday, and this is our hotel!

It's an eco-hotel. It is in the middle of the Amazon jungle, next to lake Juma. We hike, swim, sunbathe, ride horses and enjoy Nature all day long.

There are lots of wild animals! It's fantastic!

Hi, my name's Antonia. I'm from Spain. This is a hotel we usually stay at, in Majorca. It's a resort. My room is big and comfortable and it has got a view to the swimming pool. We sometimes stay at the resort and we also go to the beach. We swim, sunbathe, go sailing, and I enjoy taking long walks on the beach.
