Healthy lifestyles

Eliza and her family have different healthy lifestyles.

Eliza is an active swimmer in the summer. Everyday in the morning, she does exercise in her house. Only on Saturdays she goes to the gym for an hour. Somedays, like today, she makes herself a sandwich for lunch, and sometimes she eats chips and candy. Also, usually she sleeps early, like yesterday, she went to sleep at 8:30 p.m.

Eliza has a sister named Bety. Bety likes to dance ballet. She likes to read for 20 min. and she always studies in the afternoons. Eliza and her sister like to eat healthy, that's why she and Eliza don't drink soda.
