STUDENTS' WORKSHEETS

NAME :

CLASS :

Long ago a rich man wanted the best education for his son, so he sent him abroad to ....1..... languages.

A few years later when the young man.....2.....home, the only language he had learned was dog's language. The father was so indignant, that he drove his son out his house, and said he wished to have nothing further to do with him. The young man....3.....his house with his broken heart.

After a great deal of wandering, the young man arrived at his village which was terrorized by a pack of ....4..... dogs. Although everybody had advised him not to wander there, the young man insisted on going into the wood where the dogs lived. And too much amazement, he returned without even a strach, He said that the dog had spoken to him, explaining that they were ferocious because they were .....5..... by a spell to keep guard all the time over treasures burried in the woods. The young man solved the problem by promising the dogs to keep guard on the treasures, so the dog were free to wander no further troubled the villagers.

One day, the young man came to the village in a luxurious carriage followed by the long line carts, loaded with all the treasures, he had accumulated as a result of his ability to talk with dogs.The rich man was very proud of his son and he was aware then that everyone had his own capability.

COPLETE THE MISSING WORD BY BRAGGING THE WORDS FROM THE LIST BELOW

learn	left
compelled	
ferrocious	returned

Answer these questions based on the text above !
