

Giving and Asking for Information

At a resort up hill, Peter wants to provide a special party to his classmates.

Peter : Shane! Where are we going to construct the stage?

Shane : Underneath that big tree is the best place.

Peter : think so. We'll put a long table here as a dinner table. I'll ask your wife to help decorate the dinner table. I hope she won't refuse me.

Shane : No, she won't. I'm sure she'll be certainly happy.

Peter : The coming party will be ready soon. Then we'll celebrate together.

Shane : Anyway, I hope your classmates won't get lost on the way up here.

Peter : Of course not.
