COSSOS GEOMÈTRICS

1. Tria el nom:

2. Fixa´t bé en el següent poliedre i completa:

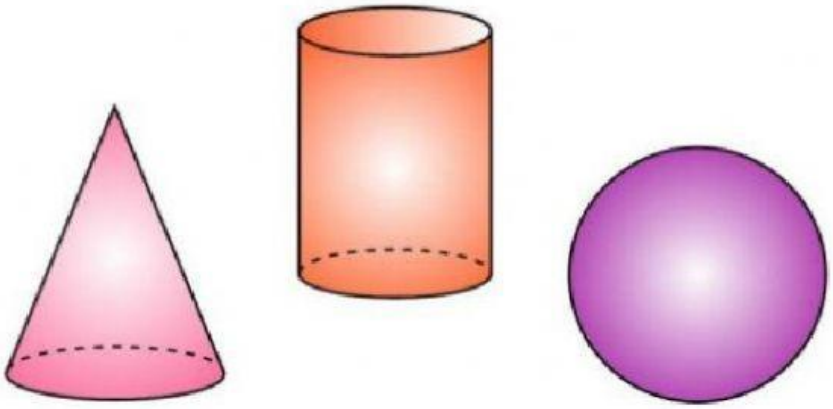

Aquesta figura és un .

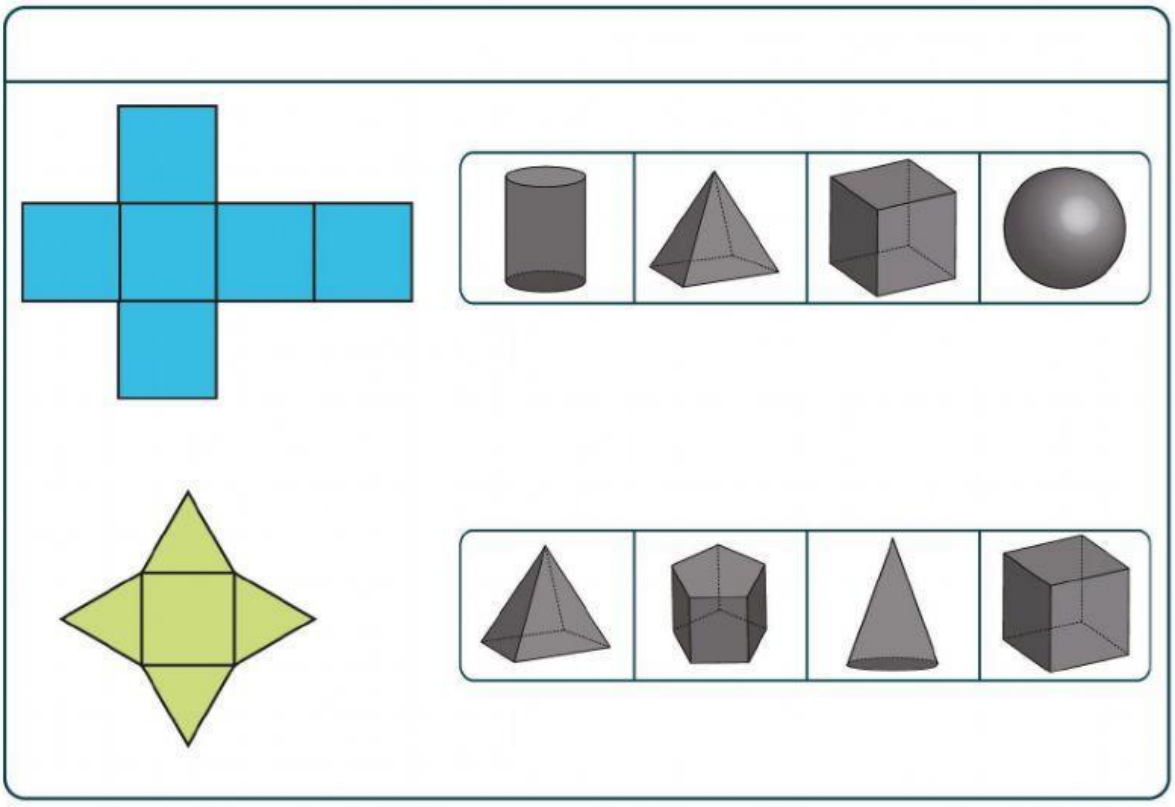

Té bases i cares laterals. Les bases són i les cares laterals són .

LIVEWORKSHEETS

3. Com es diuen els següents cossos de revolució?

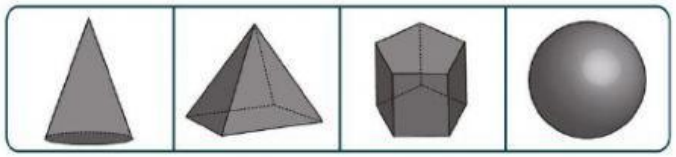

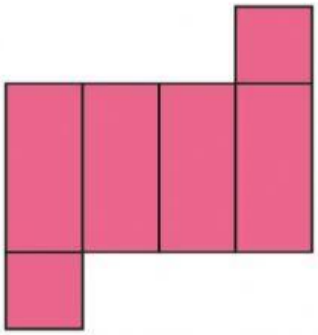

4. A quin cos geomètric correspon cada desenvolupament pla?

5. Com es diuen els següents poliedres?

POLIEDRES

Són cossos geomètrics limitats per polígons.

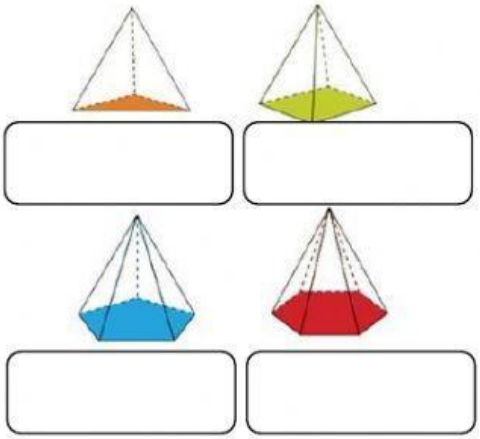

PRISMES

Dues bases poligonals iguals i paral·leles.
Les cares laterals són rectangles.

PIRÀMIDES

Una base poligonal.
Les cares laterals són triangles.
