THEME 2

ANIMALS

Lesson 5

WORKSHEET C

C Read and choose Yes or a No.

Australia

An Interesting Animal in Australia

Many animals can only swim in water, but crocodiles can also walk on land. They can walk very quickly. They spend time on land and in water looking for food. They can not fly or jump high in the air. They are not very beautiful, but many people like them and take photos when they see them in Australia.

1. Crocodiles can not walk on land. ____
2. They walk very quickly. ____
3. They look for food on land and in water. ____
