

by Bryan Adams

Oh, thinking about
All our younger years.
There only and me.
We were young and wild and free.

Chorus:]

Oh, once in your life
You find
Who will turn your world around,
Bring you up
When you're feeling down.

/Chorus/

I've waiting for so long
For something to arrive,
For love to along.

Now our dreams
Are coming true.
Through the times
And the bad,
Yeah, I'll be standing there by you.

/Chorus/
