My name is Sarah. I am 11 years old. I live in London. I have got one younger sister. Her name is Mary. I like playing tennis, going out with my friends and playing PC games. My sister likes playing with dolls. I usually get up at half past seven. Then I brush my teeth, prepare my things for school and eat my breakfast. I usually eat some cereals with milk. I usually have a sandwich with ham for snack. I never eat cheese. I go to school by bus. My favourite subjects at school are Biology, History and English. I really don't like Maths. I sit next to my best friend, Mia. School finishes at quarter past one and then I go home. I have a tennis lesson on Wednesdays and Fridays. Me and my family go swimming at the weekends. I do my homeworks before dinner. After dinner I watch TV or read a magazine. I usually have a shower at nine o'clock and then I go to bed.
