BEFORE LISTENING

A 1.3 Read the statements and the information below. Then listen to the beginning of a talk by a public health nurse. Choose T for *True* or F for *False*. Correct the false statements.

PUBLIC HEALTH NURSES

The World Health Organization encourages employers to support healthy lifestyles for their employees. Inviting public health nurses to speak at companies is one way of doing this.

1. Most nurses take care of one person at a time. T F
2. Public health nurses take care of whole communities of people. T F
3. Public health nurses sometimes do their job by visiting companies. T F
4. Tonight's talk will mostly be about the work of public health nurses. T F
