Making Pictograms

Yes! Maths Textbook 1B page 154 & 155

1 Uncle Juno has a farm.
Uncle Juno counts each type of animal on the farm.

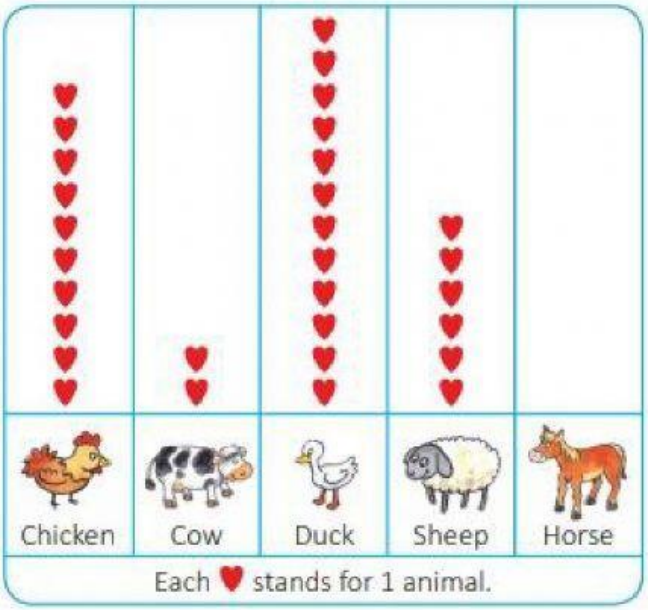

Then, he records the number of each type of animal in a chart.

Type of animal	Chicken	Cow	Duck	Sheep	Horse
Number	10	2	12	6	4

Uncle Juno draws a pictogram to show the number of each type of animal.

Animals on Uncle Juno's Farm

Use the pictogram to answer these questions.

a Uncle Juno has ____ types of animals on his farm.

b He has to draw ____ ♥ to show the number of horses.

c He has ____ animals altogether.
