

## Making Pictograms

Yest Maths  
Textbook 1B page  
154 & 155

1 Uncle Juno has a farm.

Uncle Juno counts each type of animal on the farm.

Then, he records the number of each type of animal in a chart.

Type of animal	Chicken	Cow	Duck	Sheep	Horse
Number	10	2	12	6	4

Uncle Juno draws a pictogram to show the number of each type of animal.

Animals on Uncle Juno's Farm

10	2	12	6	
 Chicken	 Cow	 Duck	 Sheep	 Horse

Each ❤ stands for 1 animal.

Use the pictogram to answer these questions.

- Uncle Juno has  types of animals on his farm.
- He has to draw  ❤ to show the number of horses.
- He has  animals altogether.
