

### Comprehension Quiz 1

Directions: Read the following and answer the questions based on the story Tata Duende's Children from page 6 to 7 of the Language Tree Book.

1. How many children did mama and papa have before Rosalita went missing?

- a) 0
- b) 1
- c) 2
- d) 3

2. Rosalita went into the forest because

- a) Tata Duende called her
- b) her papa told her to get wood
- c) she felt she had to
- d) She wanted to see Tata Duende

3. On her return, Rosalita had changed beyond recognition. What does this mean?

- a) she had changed into another type of creature
- b) She had begun to look like a Duende
- c) She seemed like a different person
- d) She didn't recognise her parents

4. ....*All their efforts were in vain*. What do you understand by this sentence?

- a) Mama and Papa admired themselves a great deal.
- b) Rosalita's parents tried hard but failed
- c) The lost children tried to run away
- d) Tata Duende made sure that mama and papa did not succeed.

5. Why do you think Rosalita was not surprised when the children came alive?

- a) She knew that they were not dead because she knew the Duende was a kind person.
- b) She no longer cared for anyone and could not feel anything.
- c) She could no longer cry because she was afraid of the Duende.
- d) She knew the children were already dead because the Duende was really bad, and he was coming for her next.
