

Whispers in the Dark

Skillet

Despite the lies that you're-----

Your ----- is mine for the taking

My love is

Just waiting

To turn your tears to -----

----- the lies that you're making

Your love is mine for the taking

My love is

Just -----

To turn your tears to roses

I will be the one that's gonna hold you

I will be the one that you run to

My love is

A -----, consuming fire

No

You'll never be -----

When ----- comes, I'll light the night with stars

Hear the whispers in the dark

No

You'll never be alone

When darkness comes, you know I'm never -----

Hear the whispers in the dark

You ----- so lonely and ragged

You lay here broken and naked

My love is

Just waiting

To clothe ----- in crimson roses

I will be the one that's gonna ----- you

I will be the one that's gonna ----- you

My love is

A burning, consuming fire

No

You'll never be alone

When darkness comes, I'll light the night with stars

Hear the whispers in the dark

No

You'll never be alone

When darkness comes, you know I'm never far
Hear the whispers in the dark

No

You'll never be alone

When darkness comes, I'll -----the night with stars
----- the whispers in the dark

No

You'll never be alone

When darkness comes, you know I'm never far
Hear the whispers in the dark
