Answering Questions

Always answer a question using a complete sentence.

Marvin's pet is a cat named Cindy. She has a long fluffy tail. It looks like a powderpuff. She licks it everyday to keep it clean. She holds it high in the air when she walks.

Cindy is a very proud cat. She likes to get her own food. She catches mice and lizards. After she eats she washes her face with her soft paws. Her claws are very sharp, but she never scratches Marvin. Cindy often goes for a walk with Marvin.

Whenever you must answer a question, always answer using a complete sentence. Read each of the following questions carefully. Answers are provided for each question but only one is completely correct. Choose the answer that is completely correct.
