Fill in with a, an, or the where necessary

I once happened to go to ___ island of Tristan da Cunha. This island was first discovered by ___ Portuguese 500 years ago. It is ___ group of ___ volcanic islands in ___ South Atlantic Ocean. It is ___ most remote inhabited archipelago in ___ world. There is no airstrip on ___ main island. The only way of travelling in and out of ___ Tristan is by ___ boat, ___ six-day trip from South Africa. I wanted to know if there is ___ university in ___ island. However, I came to know that ___ education here is fairly rudimentary. ___ only school on ___ island is St. Mary's School, which serves ___ children from ages 4 to 16. ___ island was named after ___ Portuguese explorer, Tristan da Cunha who first saw it in 1506. Now, it is a territory of ___ United Kingdom, officially administered by ___ government of ___ St. Helena. It is one of ___ world's most isolated settlements and is midway between ___ southern Africa and South America. If you ever want to stay far away from ___ madding crowd, ___ island of Tristan da Cunha is ___ right place to go.

Choose the correct determiners:
