A GOD LIKE YOU

Kirk Franklin

Everybody wanna be like you they
Want power and praise like you but
See there is no God like our God
There's no one like
Who gave their life like you and
Who paid a price like you see
There's only one God that's our God
There's no one like you

_____ can touch like you
Or heal us like you _____
We stumble and we stray
Till you _____ get us through
Who makes all things new
And comes to our rescue
Death, hell, and the grave
They could not conquer

You became just like me
To unlock and set free
This prisoner that was deeply
Wounded and redeemed
The me I could not see

Everybody wanna be like you they
Want power and praise like you but
See there is no God like our God
There's no one like
Who gave their life like you and
Who paid a price like you see
There's only one God that's our God
There's no one like you

Some may worship things
But what joy do they _____
They try and hide the stains
But can they set us free
See where would we be
Without Calvary
A king upon a tree
So the whole world can see

You became just like me
To unlock and set free
This prisoner that was
Deeply wounded and redeemed
The me I could not see

Everybody wanna be like you they
Want power and praise like you but
See there is no God like our God
There's no one like
Who gave their life like you and
Who paid a price like you see
There's only one God that's our God
There's no one like you

Healer, father, savior
Counselor, friend, provider
Was is and forever
That's why I just wanna be where you are
I'll travel life with you no matter how far

Became just like me
To unlock and set free
This prisoner that was
Deeply wounded and redeemed
The me I could not see

Everybody wanna be like you they
Want power and praise like you but
See there is no God like our God
There's no one like
Who gave their life like you and
Who paid a price like you see
There's only one God that's our God
There's no one like you

(REPEAT 5x)

There's no one like you
There's no one like you, there's no God
like our God
There's no one like you
There's no one like you
There's no one like you, there's no God
like our God
There's no one like you
