

ESTIMATING/NUMBER LINES

10	20	30	40	50	60	70	80	90	100
		130					180		

Estimate which numbers are marked on the line. Choose from these numbers: **35 38 62 65 89 81**

Estimate the number. Choose a number: **50 100 20**

Estimate =	Estimate =	Estimate =
A colorful illustration of many yellow minions with black goggles.	A pattern of many yellow bananas.	A pattern of various metal tools like wrenches and screws.

ESTIMATING/RANGE

361	371	381	391	401	411	421	431	441	451
		481			511				

Look at how much these minions weigh..

Number of minions	Weight
100	10g
200	20g
300	30g
400	40g
500	50g
