

## HOW DO VEGETABLES GROW?

1. Write down the names of vegetables.

**A lot of yummy dishes can be prepared from vegetables. Some vegetables can be eaten raw, and some vegetables need to be cooked.**

**can be eaten – можно есть, употреблять в пищу**

**need to be cooked – необходимо приготовить**

2. Sort the vegetables by the way they can be eaten

Can be eaten raw		Need to be cooked	
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

tomatoes

potatoes

cucumbers

onions

carrots

eggplants

parsley

radishes

zucchini

broccoli

pumpkin

**What is the name of the famous vegetable dish where we cut raw vegetables?**

**Let's make it!**

3. Watch the video and write down what vegetables are in the salad.

**Let's make a salad!**

**Yum, yum, yum!**

**Let's make a salad!**

**Yum, yum, yum!**

**Let's eat!**

4. Write down vegetables you like/ don't like in your salad

Vegetables I like in my salad	Vegetables I don't like in my salad
