6. **Cheer up !!! Sing with us.**

I know you will still love me the same

Cause honey your soul can never grow old, it's evergreen
Baby your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand

But baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are, oh

So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are
