1. Haz un gol con las vocales, une con una línea según corresponda y lee la sílaba.

A diagram for a syllable matching activity. On the left, a purple circle containing the letter 'm' has five arrows pointing to a vertical column of five blue circles containing the vowels 'a', 'e', 'i', 'o', and 'u'. To the right of this column is another vertical column of five black circles, each containing a syllable in cursive: 'ma', 'mi', 'ma', 'mu', and 'me'. The task is to connect the 'm' circle to the correct vowel circle to form the syllable in the adjacent black circle.
