

# ÷ DIVISION ÷

1.) Make the divisions below and join the result with the answer.

|          |     |
|----------|-----|
| $20 / 4$ | $9$ |
| $10 / 5$ | $5$ |
| $18 / 2$ | $4$ |
| $12 / 3$ | $2$ |

*Note: A line connects  $20 / 4$  to the answer 5.*

2.) Solve the next divisions and choose the correct answer.

|                                                                                     |                                |                      |                      |                                                                                       |
|-------------------------------------------------------------------------------------|--------------------------------|----------------------|----------------------|---------------------------------------------------------------------------------------|
|  | $30 / 10$                      | $12 / 6$             | $8 / 4$              |  |
|                                                                                     | <input type="text" value="3"/> | <input type="text"/> | <input type="text"/> |                                                                                       |
|  |                                |                      |                      |  |
|  | $15 / 5$                       | $9 / 3$              | $14 / 7$             |  |
|                                                                                     | <input type="text"/>           | <input type="text"/> | <input type="text"/> |                                                                                       |
