

# TECHNOLOGY ALL AROUND ME

Look around you. Look around your house, your neighbourhood, and your community. Can you see technology all around you? Generally, we think that technology is sophisticated and that it is not present in our lives. But technology is everything that helps us solve problems every day and makes our lives easier. Maya and Victor will talk about their favourite pieces of technology.

Hi! I'm **Maya Penn**. I'm from The U.S. My favourite piece of technology is my **sewing machine**. I like my sewing machine because I can make clothing with it. I love **drawing** and designing clothes, eco-friendly clothes, of course. **Also**, my other favourite piece of **technology** is my laptop. I like my laptop because I can draw and create animation on my computer. It is really fantastic. I think technology is **all around us**.

They are **made** of bamboo. I love riding my eco-friendly **bike** every day. Another of my favourite piece **of** technology is my **smartphone**. I live in Lima, **but** my parents live **in** Tingo María. I like my smartphone because I can speak and make **videocalls** with my parents **and** friends. Technology is **really** great.
