

## 2002 --- Annie-Marie

I will always remember  
The day you kissed my lips  
Light as a \_\_\_\_\_  
And it went just like this  
No, it's never been better  
Than the summer of 2002 (ooh)  
Mm, we were only eleven  
But acting like grown-ups  
Like we are in the \_\_\_\_\_  
Drinking from \_\_\_\_\_ cups  
Singing, "Love is forever and ever"  
Well, I guess that was true

childhood	woods
eighteen	taken
feather	plastic
ride	covers
present	forward
lungs	

**Dancing on the hood in the middle of the \_\_\_\_\_**  
**On an old Mustang, where we sang**  
**Songs with all our \_\_\_\_\_ friends**  
**And it went like this, say**  
**Oops, I got 99 problems singing bye, bye, bye**  
**Hold up, if you wanna go and take a \_\_\_\_\_ with me**  
**Better hit me, baby, one more time, uh**  
**Paint a picture for you and me**  
**On the days when we were young, uh**  
**Singing at the top of both our \_\_\_\_\_**  
**(on the day we fell in love...)**

Now we're under the \_\_\_\_\_  
Fast \_\_\_\_\_ to \_\_\_\_\_  
We are more than lovers  
Yeah, we are all we need  
When we're holding each other  
I'm \_\_\_\_\_ back to 2002 (ooh)  
Yeah
