Haziq's Fabulous Dress

Haziq Zudin is the owner of Haziq's Fabulous Dress. Located in Mutiara Perdana, it is a popular single storey boutique which sells dresses for all ages and sizes.

In 2010, Haziq decided to open a small boutique. He received a degree in fashion design from a local university so all the dresses he sold were specially made by him.

After his graduation, he began accepting offers from customers who wanted dresses for special occasions including weddings, parties and even for annual dinner. He finished every order meticulously and with full commitment to ensure that his customers were satisfied with the dresses. Because of that, most of his customers became regular customers.

In 10 years, Haziq's business grew tremendously. He has come out with variety of collections from custom-made to ready-to-wear dresses. Throughout the years, Haziq has never compromised on the quality of all his dresses. Not only that, he also keeps the prices affordable. Thus, his customers keep on coming back for more.

Haziq's Fabulous Dress is open daily from 10 a.m. to 9 p.m. These days, Haziq's wife, Maria Rahim, helps him at the boutique. They introduced a loyalty membership card called 'Haziq's Fabulous Clan' for their regular customers. Members of the loyalty membership card will receive privileges including latest collection notifications and birthday gifts.

As his business has grown fast, Haziq appointed his sister, Rina Zudin, as the store manager. They make a great team and during his free time, he teaches Rina some basic skills in designing dresses.

My First Camping Experience

By: Akhbar Malek

I have always enjoyed outdoor activities. I guess I get it from my parents as they enjoy outdoor activities too.

The first time I went camping was when I was eight years old. My teacher decided to organise a camping trip. It was one of the annual activities for the Boy Scouts in the school. We had a meeting a month before the camping to discuss about the details. The teacher and seniors told us about the camping trips they enjoyed in the previous years.

They announced that the camping trip would be at Sungkai, Perak a week after the meeting. My mother was so excited that I would go for my first camping. Then, my father shared about the fun activities he had when he was joining camping trips during his time as a student.

On the day of our trip, it took several hours of a bus ride to reach the campsite. It was a long and tiring journey but everyone was looking forward to the activities planned. As we were getting off the bus, our teacher registered our arrival at the campsite office. Then, we took a short hike to the camping site. I had an amazing time hiking as the journey was like an introduction to the life in the wild. I heard the sounds of birds and insects all around me.

Thankfully, the tents were already prepared for us at the campsite. Each tent was fairly big as I could put my bags inside and still had enough space to move around. A barbecue pit and a picnic area were also available for us to use. After settling down, we prepared lunch together.

That night, I had trouble sleeping. It was my first time sleeping outdoors. Thankfully, it was getting easier the following nights.

My first camping trip was memorable, exciting and unforgettable. For those reasons, it most certainly would not be my last.
