Verb patterns

1. Add all necessary forms of the words in brackets, additional words (nouns, prepositions etc.) to complete the gaps. Do not forget to open the brackets and write the verb from there!

   a) I insist ..... (leave) the building as it is dangerous to stay here.

   b) My friend's successful experience of making a vlog encouraged .... (start) my own on Instagram.

   c) She is thinking ..... (take) another course on linguistics.

   d) Tom and a couple of his classmates agreed .... (make) a collaborative project this year.

   e) Her mother warned .... (walk) alone late at night.

   f) We expect ..... (our new teacher/be) caring and attentive to us.

   g) His best friend accused .... (steal) the money when they were together – what a nonsense!

   h) John offered ..... (send) invitations to our party.

   i) My sister blamed ..... (miss) the bus: I got up late, my fault!

   j) The whole class enjoyed .... (visit) the exhibition.
